

## APPLICATION FOR RENEWAL OF THE GRADUATE MEMBERSHIP OF THE SLIA

### A. INTRODUCTION TO THE SRI LANKA INSTITUTE OF ARCHITECTS (SLIA)

Sri Lanka Institute of Architects (SLIA), from its inception, plays a key role in providing opportunities for architectural education in Sri Lanka. The SLIA has instrumentally guided the development of this education, thus keeping with the objectives of the Institute as provided for in the Sri Lanka Institute of Architects' Law No. 1 of 1976, and the Sri Lanka Institute of Architects Law No. 14 of 1996.

Some of the key objectives provided for in these acts related to education are;

- to promote and advance the study, practice and application of, and research on architecture and its kindred subjects and the arts and sciences connected therewith.
- to organize, supervise and control the admission, professional education and training of persons desiring to qualify as Architects, to prescribe or approve courses of study for qualifying for the membership of the Institute, and to conduct or provide for the conduct of such courses and examinations:

### B. ARCHITECTURAL EDUCATION IN SRI LANKA

The SLIA has guided the early development of the current Architecture programme at University of Moratuwa from a vocational programme at the Institute of Practical Technology at Katubedda to a fully-fledged Degree Programme. The institutes, Sri Lanka Institute of Architects, Royal Institute of British Architects (RIBA) and the Commonwealth Association of Architects (CAA) concurrently have recognized and accredited the courses of Architecture offered by the Department since 1985.

As a continuance of the accepted policy and further enhancing of opportunities for architectural education in the country, the SLIA from 1986 has organized courses leading to the Parts I & II of the Sri Lanka Institute of Architects Examination which later (1999) evolved in to the current City School of Architecture (CSA).

SLIA conducts the Part III of the Sri Lanka Institute of Architects Examination and organizes a Lecture Programme for the same. The Lecture Programme is conducted directly by the **Board of Architectural Education** (BAE) of the SLIA. The part-time modular based lecture Programme, attended by the eligible candidates is further strengthened by a series of seminar workshops.

Membership of the SLIA is recognized by the Government of Sri Lanka as a professional qualification for professional appointments in the Public Sector. The SLIA, through the BAE has commenced its own accreditation system starting from 2012.

### END OF INTRODUCTION
